THE BR CLUB SHOPPING APP IS NOW INTEGRATED WITH YOUR POS!

The NRS POS has been updated to now fully integrate with the **BR Club app** (PREMIUM FEATURE), to allow remote purchasing from any of our stores, including advance payment via the app or payment upon arrival at the store.

The **Orders** button will display a customer ordering fulfillment area for app orders, for store or curbside pickup. (Store can arrange independent delivery if available.)

- 1) For videos and resources, visit CampNRS.com > Merchants > BR Club icon.
- 2) To request information via your POS' main screen, click on the **NRS Marketplace** tile. Select **SELL YOUR PRODUCTS ON THE BR CLUB SHOPPING APP** and complete the form. A representative will contact you to sign you up.
